- ➤ Basic playback controls such as play, pause, stop, and volume adjustment are included.
- ➤ The application ensures a clean shutdown by stopping music playback before exiting.

SOFT SKILLS:

- ➤ Communication
- ➤ Teamwork
- ➤ Problem-solving
- ➤ Creativity
- ➤ Time-management
- ➤ Collaboration

Personal Details:

Date of Birth: 14/12/1999

Languages:

English, Kannada, Telugu, Hindi & Tamil

Location:

Bengaluru, Karnataka

Education:

2018 – 2021

BE - Mining Engineering

Acharya Institute of Technology

(VTU), Bengaluru

2015 – 2018

Diploma in Mining

T.M.A.E.S Polytechnic, Hosapete

Portfolio Website Using React | June 2024

Role: Front-end Developer

Technology: Visual Studio IDE & React

Description:

➢ Built using React for a dynamic and interactive experience.
➢ Modern, professional design to display projects and skills clearly.
➢ Adjusts seamlessly to all screen sizes and devices.
➢ Smooth routing for seamless transitions between sections.
➢ Detailed project descriptions with images, links, and technology used.
➢ Accessible contact information and form, plus social media links.
➢ Fast loading times with optimized rendering.

E-commerce using React | Jan 2024

Role: Front-end Developer

Technology: Visual Studio IDE & React

Description:

➢ Sleek, modern, and responsive design.
➢ Displays all available products with key details.
➢ Provides comprehensive information on each product, including price, ratings, and descriptions.
➢ Data fetched from an API for real-time updates.
➢ Easy navigation for a seamless shopping experience.
➢ Designed to accommodate future growth and additional features.
